STANDARDIZATION: Food & Beverage

As noted on page 13 of the Volunteer Handbook:

“All food and beverages should remain in the Volunteer Room and not be brought to the theater.”

Please be sure to finish your drinks and snacks prior to signing in at the theater. If you need to take a break to wet your whistle or have a snack, please do so in the Volunteer Room.

After the performance and signing out, if you take a pretzel, please wait to eat it until you are outside of the theater space and away from the guests.

Thank you!

CONGRATULATIONS AUDREY!!

As of the end of April, Audrey DeClement has 17,000 volunteer hours at Playhouse Square! This incredible milestone comes as a result of almost 42 years as a RedCoat.

During that time, Audrey has helped literally thousands of guests have an amazing theater experience.

She has volunteered in the theaters for shows like *Evita*, *The Light in the Piazza*, and *Dorothy the Dinosaur's Dance Party!*, as well as performances by David Copperfield, Tom Hanks and the Blue Man Group.

Not only has she volunteered as a RedCoat, she was part of the Bright Spots group – polishing the chandliers, worked the WVIZ auction, and helped out in the administrative offices.

Audrey has so freely given her time and attention to Playhouse Square for over four decades and we are so happy to call her one of the PSQ Family. Join us in congratulating her on this amazing accomplishment!

Back to the Future: The Musical

KeyBank Broadway Series

(June 11-July 7)

Great Scott - The First National Tour of *Back to the Future: The Musical* is taking off in Cleveland next month! RedCoat Volunteers can save up to 49% off tickets* and receive waived handling fees on orders with the promo code. Secure your seats today so you don't miss your chance to be the first to see this beloved movie live on stages across the country.

When Marty McFly finds himself transported back to 1955 in a time machine built by the eccentric scientist Doc Brown, he accidentally changes the course of history. Now he's in a race against time to fix the present, escape the past, and send himself... back to the future. When *Back to the Future* hits 88mph, it'll change musical theatre history forever.

VOLUNTEER ROOM COFFEE MACHINE

The coffee machine in the Volunteer Room became clogged last week and the chocolate, vanilla, and frothy drinks were not dispensing properly.

If, for any reason, your beverage does not dispense, please put a post-it note on the machine that it is out of order and email the Volunteer Department so that we can service the machine.

This will help prevent damage to the machine.

THANK YOU!
