THANK YOU!

Thank you to all of the volunteers, house managers, Playhouse Square staff and Trustees who attended **THANKAPALOOZA 2024!**

A wickedly good time was had by all. The proof is in the pictures! An event recap will be sent later this week – watch your email for a special edition coming out on Friday.

UNIFORM CARE

We have received many questions on the proper method to care for the RedCoat blazers. The blazers should be dry-cleaned.

Vests for the Stars Program participants can be washed in cold water on a delicate cycle.

The Volunteer Department has a small supply of buttons for both the sleeves and the front of the blazers. If you are missing a button, please email the office and a button will be sent to your next assignment. There is a sewing kit in the Volunteer Room in the drawer under the soda machine.

Replacement flashlights and ties are available for purchase for \$5 each.
