VOLUNTEER ROOM REMINDERS

Thank you for helping us keep the Volunteer Room beautiful!
Here are a few reminders:

1. Please remember to lock your belongings in a locker while volunteering. Take your lock with you and **close** the locker when you leave.
2. **Please** clean up any spills.
3. Items offered free to RedCoats will be clearly marked. Please leave all other items in the Volunteer Room.
4. The black cabinet in the locker area is for the Volunteer Department storage. **DO NOT** take anything from that cabinet.

EXTRAS AND THE SCHEDULE

Check Your Calendar

We have had over **700** cancellations in the past 8 months that were chosen as EXTRAS by volunteers.

We know that sometimes schedules change, and last-minute things pop up... But please check your schedule carefully for your availability before volunteering for extra shows. We end up turning down other RedCoats requests when these fill up.

SERVICE PINS

Service pins are normally **ONLY** distributed at the Broadway Series or Huntington Bank series performances.

Because there are few shows on the calendar for September, pins will be distributed at **ALL** performances in the Connor Palace and KeyBank State theaters this month.

Please note – the Pins to be Awarded report was run early this month. If you do not receive your pin in September, it will be awarded in October. Thank you!
