**★ IMPORTANT – NEW SECURITY PROTOCOL ★**

**EFFECTIVE IMMEDIATELY:**

All personnel (staff and volunteers) and guests entering the Playhouse Square complex will be required to go through the Open Gates Weapon Detection System.

Your safety is our main priority.

**ATTENDANCE PERCENTAGES EXPLAINED**

We've had some questions regarding how percentages are calculated. Attendance percentage is based on a rolling year – for example 10/1/23 – 9/30/24.

Every cancellation (C) or no-show (N) counts against the percentage. Any extras (%) offset the cancellation or no-show. Leaves (L) and Releases do not affect the percentages. If your team is scheduled more than twice a month, you may request to be released from a performance.

The person in the example below has 100% attendance for the time period shown. They have cancelled twice and volunteered as an extra twice.

The commitment is an average of two shows per month.
