SAFETY FIRST!

Ensuring the safety of our guests should be a top priority for everyone. Steps that can be taken to mitigate accidents include:

- Being current on your GET training and knowing where all exits are located
- Being aware of the first aid supplies and AED equipment available in each theater
- Watching for spills and other hazards that may cause a slip or fall
- Notifying guests when there is a step or an incline

Typical Thursday in the Volunteer Office...

It may be Halloween, but we still answered hundreds of emails, replaced name tags, worked on the schedule, assigned positions for shows, dropped items off in the house manager offices, and cleaned the volunteer room! We just looked a bit different doing it!

SHOW POSTPONED

Both the matinee and evening performances of **Living All Alone: The Life and Times of an Icon Phyllis Hyman** have been cancelled on Nov. 9th. The new date will be announced soon.
