### **About Justin Willman**

Justin Willman wants to melt your brain while making you laugh. He's best known as the star and creator of the hit Netflix series *The Magic Prank Show* and *Magic For Humans*. But you may recognize him from one of his many television appearances (*The Tonight Show, The Today Show, Ellen, Conan...*). Or maybe you know his work as a host (*Baking Impossible; Cupcake Wars; Win, Lose or Draw...*). Or maybe he's the child magician you hired in suburban St. Louis in the '90s. If you don't know Justin, he's a magician and comedian who's mastered the art of turning cynics into believers (or at least getting them to laugh). His live show is simultaneously mind-blowing and hilarious and will likely keep you up at night wondering how the heck any of it was possible.

Justin is also a proud father, a loving husband, and has zero experience as a licensed boat mechanic (that's a different Justin Willman).
