Playhouse Square®

Letter from Craig:

Dear RedCoat,

Welcome to the community of Playhouse Square volunteers! On behalf of our Board of Trustees and staff, I thank you for becoming a Playhouse Square RedCoat. Wear the jacket with pride.

You are essential to the guest experience at Playhouse Square. The friendly, helpful and knowledgeable assistance you and your RedCoat colleagues provide to our guests make it possible for more than one million people to enjoy their time with us each year. You are fundamental to our not-for-profit mission and to our success.

When you don the "red coat," I ask that you take your role seriously and help our guests enjoy a safe and memorable time in our beautiful venues. This handbook, as well as our House Managers and Head Ushers, will serve as your guide for doing so.

Thank you again for your commitment. I look forward to seeing you around Playhouse Square!

Sincerely,

Craig Hassall
President & CEO

PLAYHOUSE SQUARE

Mission Statement

We are a not-for-profit performing arts center whose mission is presenting and producing a wide variety of quality performing arts, advancing arts education and creating a destination that is a superior location for entertainment, business and residential living, thereby strengthening the economic vitality of the region.

Letter from Meg:

Dear Volunteer,

Thank you for becoming a volunteer RedCoat or Star, we are so excited to have you join our Playhouse Square family!

Playhouse Square is such a special place, and the RedCoats and Stars are an integral part of our success. A volunteer's importance to Playhouse Square is twofold. First, you are the face of Playhouse Square to our guests. Often the welcoming smile and helpful information given by a volunteer is what our guests remember most about their experience here. Second, volunteers do essential tasks like ticket scanning, and directing and seating guests that are extremely important to our ability to make a show run smoothly.

Thank you for becoming a Playhouse Square Volunteer, your commitment to this position and cheerful demeanor are essential to our success as a whole and we so appreciate having you on the team!

This handbook was created to give you an overview of the essential information you need to know as a volunteer at Playhouse Square. It is a guide that will cover everything from your schedule to seating charts for the theaters. While we have attempted to include all the essential information, we realize that a handbook can never contain the answers to all of your questions. Please always feel free to contact the Volunteer Office or talk to your House Manager and Head Ushers, we are happy to answer questions and guide you in your Playhouse Square Volunteer career!

We appreciate your commitment to volunteering with us and hope you take the obligation seriously. We rely on our volunteers to assist the House Managers and keep the shows running smoothly. We greatly value your role here and hope you will too.

The Basics

Role of Volunteers

RedCoats and Stars are the public face of Playhouse Square – you are the introduction for our guests to each performance and to the theaters as a whole.

Please keep in mind, the conversations you have with other ushers should appropriately reflect the positive aspects of Playhouse Square, its resident companies, and performances. Patrons can hear everything you say. This same rule also applies if you are talking on a social networking site, be careful about what you post online and remember: what you put online lasts forever!

It is evident from feedback we receive that the volunteers are an integral part of what makes Playhouse Square special.

Your welcoming smile and helpful information are what make people feel at home and excited to come back.

Benefits of Volunteering

Recognition

- Annual gift and/or event
- Pins based on hours of service 🌟
- Yearly certificates and hours reports
- STAR Awards for outstanding service

Tickets Offers

- Fees waived - If you are purchasing tickets at the Box Office, your fees will be waived if you show your RedCoat badge (no other discounts apply).
- Discount Tickets (CEO Website) - discounts to select shows are available on the CEO website.
- Go to <https://tickets.playhousesquare.org/REDCOAT> and use the code **PSQRC** to see current discount opportunities. You will be required to enter your RedCoat ID# at check-out.
- Check the Newsletter for occasional discount opportunities to Cleveland Playhouse and Great Lakes Theater shows.
- Complimentary Tickets – we have a small number of tickets that Playhouse Square has given us to pass on to RedCoats. These are usually available through various ticket drawings, Facebook drawings, or awarded for outstanding service.

Tax Advantage

- Volunteers may deduct any out-of-pocket expenses and mileage incurred while doing volunteer work for certain groups approved by the IRS. Playhouse Square is classified as a 501(c)(3) organization under the IRS code.

🌟 Volunteer Service Pins

Our database tracks the number of hours for each volunteer as soon as the performance has been reconciled in the system. Reconciliation is normally completed within a week of the performance. During first week of the month, a report is generated for the service pins to be **AWARDED** that month. In order to appear on the report, the volunteer must be scheduled at a KeyBank Broadway or Huntington Bank series performance when the report is run.

Names of those who have reached a milestone are then added to the Monthly Newsletter and awarded the pin. If you achieve a milestone, but are not scheduled at a Broadway or Huntington Bank performance, you will receive your pin and your name will be listed the following month. Because the report is run during the first week of the month, volunteers may **ACHIEVE** a pin – but not be **AWARDED** the pin – in that month.

Head Ushers

Head Ushers have important supervisory responsibilities and work closely with the House Managers to provide an outstanding guest experience and a positive RedCoat/Stars workplace environment.

Head Usher Job Description

Qualifications:

- Minimum one year experience, **or** 100 hours as a volunteer
- 95% attendance or better
- Able to work upstairs and downstairs; good knowledge of all the theaters
- Dependable, self-motivated, team player, excellent communication and problem-solving skills
- Able to remain for the entire performance

Responsibilities:

- Check in 15 minutes before regular volunteers for the pre-show Head Usher briefing
- Follow designated policies and procedures as specified by the House Manager
- Be vigilant of potential safety issues
- Supervise pre-show and end of performance volunteer duties
- Team leader for volunteers in assigned area
- Ensure all equipment is returned to designated areas
- Attend mandatory Head Usher meetings

Candidates will be required to attend and successfully complete a Head Usher class as well as at least three Head Usher training sessions.

Head Usher Benefits

Some of the perks of being a Head Usher:

- Head Ushers are often invited to attend the final dress rehearsal for most CPH shows. Emails are sent out each time with the invite.
- Head Ushers are given priority when EXTRAS are needed and we need Head Ushers for an event/show.
- Head Ushers are emailed first and requested for special events where Playhouse Square wants our top ushers

Head Usher Assignments

Each theater requires a certain number of Head Ushers to be scheduled. That number will vary by theater. Head Ushers therefore are generally assigned to the Head Usher position. If the performance has the required number of Head Ushers from the teams assigned, Head Ushers who are "extras" for the performance will be assigned to any position needing to be filled.

Removal as Head Usher

All Head Ushers are subject to the requirements listed in the Head Usher Job Description above.

A Head Usher may be removed from Head Usher status if their attendance percentage drops below 95%, if they are unable to remain for the entire performance, or if they are unable to attend mandatory Head Usher meetings. The Head Usher will be able to remain a RedCoat if they choose. Removal will be decided on a case-by-case basis.

Information for STARS Program Participants

STARS: Students Take A Role at the Square

Commitment

STARS commit to volunteer for a minimum of **12** performances during a twelve-month period. If you look ahead and have a period of time when you will not be available to volunteer (e.g. December for finals and winter break), you are welcome to do extra shows in earlier months to make up for them.

NOTE: We are not able to screen the content of shows for what material you and your family may be comfortable with, and ask that students (and parents) who are concerned about show content research for themselves about whether it is appropriate prior to signing up.

Communications

Please email redcoats@playhousesquare.org with any questions and / or schedule additions or changes.

Each week you will receive an email from Playhouse Square that contains links to our Newsletter or Update as well as the Volunteer Schedule for the next 4 weeks. The Newsletter contains general tips as well as specific show information. Newsletters and Schedules are also available on our website at: www.playhousesquare.org/volunteer-home

Scheduling Volunteering Times

- To sign-up for a performance, email redcoats@playhousesquare.org with the shows you would like to sign up for each month. Please list your name, and the name, date, and time of the performance(s) you would like to add.
- If you are unable to make it to a performance and need to cancel, please email redcoats@playhousesquare.org to cancel, even if it's at the last minute.
- Since everyone is given specific assignments, it is helpful for us to know ahead of time if you are unable to make it so we can put someone else in that position.
- If you do not notify us of a cancellation, your absence will be noted as a "No Show" on your account. No Shows will be subtracted from your total performance count at the end of the year.

Weekday Shows

- Although STARS can volunteer any night of the week, we ask STARS to focus on weekend shows for two reasons. First, we have found it is better for students' schedules when they are not here regularly on school nights. In addition, the majority of our shows come through on the weekends so that is when we have the most need and also the most opportunity. We ask that you choose your one show a month from the schedules we send out.

Volunteering at a Performance

- The times listed on the Volunteer Schedule are call times. This is the time that you are expected at the theater. Please plan to arrive in time to take coats or bags to the Volunteer Room before arriving at the theater.
- If you are being picked-up after volunteering at a performance, please work out with the person driving you when and where they will pick you up. The Bulkley Building Lobby off Euclid is generally a central location and has a Security Guard stationed throughout the day. To determine pick-up times, it's best to look at the weekly email that lists any run times that we have been given. If no run time is given, you can also find an estimated runtime for most shows on our website

Uniform

Each STARS Volunteer should have their own black pants or skirt, shirt, and shoes. If wearing a skirt, black tights or leggings must be worn.

We will provide you with the vest portion of the uniform. A solid black tie or crisscross tie is *optional*. These are available for purchase for \$5 from the volunteer office. See Uniform section for additional information

Facebook

The RedCoats have a closed Facebook group, "Playhouse Square RedCoats" that you are welcome to join. We occasionally have ticket drawings and other opportunities offered through this group, and many RedCoats share stories about their volunteer experience as well.

Scheduling

Assignments

RedCoats: Each RedCoat picks a Crew and Team to work with. Your Crew is based on the day and time you would like to volunteer (e.g. Tuesday Evenings, or Sunday Matinees). Your Team is a number between 1 and 30 (this is the last two numbers of your ID number). You are only expected at shows where both your Crew and Team are listed. For example, if you are TU E 11 (Tuesday Evening, Team 11) you will only be expected on Tuesday evenings when team 11 is on the schedule.

If you look at the boxed section of the sample schedule above, you will see that Tuesday Evening (TU E) team 11 is scheduled for both the Broadway Buzz and the Broadway show, Rent on 3/6. In this case, team 11's call time is 5:45pm at the Upper Allen. They will then move over to Rent at the Palace when they are finished. These shows work in conjunction, Buzz is an educational pre-show talk to the Broadway show.

The RedCoat commitment is 2 times a month. Your team may be scheduled more than twice or fewer than twice a month as needed. You may be released from any shows scheduled beyond two and it will not affect your attendance percentage.

To be released, you must email us at redcoats@playhousesquare.org and receive a confirmation email from us in response.

Occasionally we have events where no teams are scheduled. For these we will simply list a % in place of the team numbers. This indicates we are taking extras unless the event is marked FULL – where no extras can be added. You can see an example of this on 3/6 for the Cokie Roberts event.

For FULL events, there is a check back date listed. Please email on the check back date to see if there have been any cancellations. Occasionally, an event previously marked as FULL may request extras due to the number of cancellations received after the initial publication date.

There will be events that have the listing %Extras Needed (95%+)%. This indicates that scheduling priority is given to ushers who have an attendance percentage of 95% or higher.

STARS: Simply email redcoats@playhousesquare.org with your name, usher ID#, and the title, date and time of the performance for which you would like to volunteer. Every effort will be made to add your name to the schedule for that show.

Online Schedule

The Volunteer Schedule is four weeks long. Each week a new schedule comes out. The current schedule is always available on our website at: <https://www.playhousesquare.org/volunteer-home>. A link is mailed to you each Wednesday with the Weekly Update / Newsletter and schedule. Additionally, hard copies are available in the Volunteer Room. Please check this schedule regularly. You are responsible for knowing when your team is scheduled and either coming or emailing us to cancel.

PLEASE NOTE: the new schedule is available on Wednesday mornings at 6:00 am. Email requests that come in prior to 6:00 am on Wednesdays, when the scheduled is released, will be held and processed at the end of the day.

Cancellations and Extras:

We understand that sometimes scheduling issues come up and prevent you from volunteering at your regular commitment. If you are unable to come when your team is scheduled, simply email us at redcoats@playhousesquare.org to let us know.

We love having extras! When you're unable to make your regular assignment, simply look for any other performance (on any day or time) where you would like to volunteer. If the performance is not marked as "full", email your request to be an extra to redcoats@playhousesquare.org. When you email us with a cancellation or extra, you will receive a confirmation email within 48 hours. We do not confirm phone calls.

Occasionally, we list a show as **FULL** and put a "check-back date" typically for two days before the performance. This means that we have reached the maximum number of volunteers we can accept for the performance and are no longer able to add anyone due to safety and capacity reasons. If you email us back on the listed date, we will replace anyone who has cancelled on a first-come, first-served basis. If the event is still full, please send an email each day until the performance. We do not keep a wait list and are not able to hold your email until that date, you must follow-up with us beginning on the listed date.

95% Extras Needed

There will be events that have the listing "%Extras Needed (95%+)". This indicates that scheduling priority is given to ushers who have an attendance percentage of 95% or higher. A response email will be sent from the Volunteer Office after 24 hours.

To request to be added to a performance with the 95%+ designation:

- Subject line must include the date and only one email should be sent;
- If there are multiple performances, you may choose only **one**;
- Email should not include requests or cancellations for any other performance.

For shows marked "95%+", everyone who meets the criteria and responds with an interested email between the hours of 6am and 11:59 pm on the Wednesday the schedule is published will be given an equal opportunity to be selected for the show. All names will be entered into a computerized number generator and the selected ushers will be notified the next day – Thursday by 4:00 pm.

PLEASE NOTE: If you sign up as an extra for a 95% or higher performance, and a no-show is recorded for that event, you will not be eligible to extra for the next six (6) performances marked "%Extras Needed (95%+)".

Full Shows

Occasionally we have volunteers sign in at an event that is full. We are limited in the number of volunteers that we have at each event, which is why we ask you to verify with the Volunteer Office that the event is still taking volunteers before coming in as an extra.

If you sign in as an extra at a show that is marked FULL: You will not receive hours for that performance; and you *may* be sent home prior to the start of the show.

Double Hours

Some performances will be marked as "Double Hours". In order to receive double hours, the volunteer must remain for the entire performance. If the volunteer leaves before the end of the performance, they will receive credit for the hours volunteered only.

Production Cancelled

There are times when an event (performance, tour, workshop, etc.) is cancelled by the Production. In these instances, the Volunteer Department will communicate the cancellation through email only. We advise checking weather reports, school cancellations, and your email if there is ever a question about a show proceeding.

When an event is cancelled by the Production, it will not affect your attendance percentage.

Attendance

In order to maintain 100% attendance, you should either come to all assigned shows, or replace any cancelled shows with extras. Occasionally there are bonus gifts or other opportunities given to those that maintain 100% attendance.

Attendance Percentage

Attendance percentage is based on a rolling year – for example 10/1/21 – 9/30/22. Every cancellation (C) or no-show (N) counts against the percentage. Any extras (%) offset the cancellation or no-show. Leaves (L) and Releases do not affect the percentages. If your team is scheduled more than twice a month, you may request to be released from a performance. Your attendance is calculated by looking at the number of shows worked divided by the number of shows scheduled for the previous 12 months. For example, if you were scheduled for 10 shows, but missed one, your attendance would be 90%. Similarly, if you were scheduled for 10 shows, missed one, and came in as an extra for one, your attendance would be 100%. The person in the example below has 100% attendance for the time period shown. They have cancelled twice and volunteered as an extra twice.

If your attendance percentage is 25% or less, your status will automatically be changed to inactive. You will be notified to return the Playhouse Square blazer, photo ID, nametag and flashlight issued to you.

If your attendance percentage falls between 26% - 50%, you will receive a written warning. If improvement is not shown within 6 months, your status will be changed to inactive.

If your attendance percentage falls between 51% - 75%, you will receive a written warning and your attendance will be monitored.

No-Show Policy

Volunteers who receive three emails in a six-month period indicating that a “no-show” has been recorded will have their status changed to inactive. We count on our volunteers to help us provide a welcoming, safe, and wonderful theater experience for our guests, and need to be certain that the number of volunteers scheduled for a performance will be the number of volunteers working that performance. We understand that you may not be able to attend each scheduled assignment. Please email us at redcoats@playhousesquare.org if you need to cancel.

Leave of Absence

Leaves of absence are periods away from volunteering lasting four weeks or longer (e.g. long-term recovery from surgeries, living out of state for a portion of the year) and will not count against your attendance percentage. The maximum leave of absence is six months in a rolling twelve-month period. **During a LOA, you are unable to pick up extra shifts unless you have notified the office to end your leave period early.** Once your leave is ended, you are automatically back on the schedule with your team. Please email the Volunteer Office for specific information about Leave of Absences.

Re-Activation

In order to return to active status after a period of inactivity, former volunteers must have a strong previous attendance record, complete a refresher orientation and GET. There is no guarantee that a returning volunteer will be assigned to their previous crew or team. A volunteer whose status has been changed to inactive due to policy violations will not be eligible to return.

Uniform

While we cannot lay out specific rules for every article of clothing or situation, we ask that you use your best judgement and that you appreciate the spirit of these guidelines when assembling your uniform. Our aim is to foster an atmosphere where RedCoats and Stars look as consistent and professional as we know you to be.

*****All uniform pieces should be clean and wrinkle free*****

Communications

Website

- The Volunteer portion of the Playhouse Square website is available under the Giving tab of our website or at www.playhousesquare.org/volunteer-home
- The website provides links to the current schedule, current and past Newsletters and Updates, and links to other pertinent information.

Newsletter and Updates

- Each Wednesday, a link to the new Monthly Newsletter or Weekly Update and Schedule will be emailed to you. The Newsletter comes out once a month and contains extra information about milestone awards, and new and retiring RedCoats. Updates come out the weeks that the Newsletter does not.
- Both the Newsletters and Updates contain information about upcoming shows and where extras are most needed, as well as pertinent news for the week.

Facebook

- The RedCoat Facebook group is a closed group, accessible only by volunteers (RedCoats and Stars). It provides a space to share your experiences at Playhouse Square and to learn about new opportunities, event announcements, or exclusive ticket drawings, among other things.
- The group can be found by searching for Playhouse Square RedCoats while you are in Facebook, or by following this link: <https://www.facebook.com/groups/playhousesquareredcoats/>
- You must already have a Facebook account before joining the group.
- Postings must be theater related and use appropriate language and positive tone. All posts require administrative approval before the post is live on page.

Parking

Free Parking is available to volunteers while they are volunteering at Playhouse Square. Parking is available in the **US Bank Garage** at 2060 East 14th St. (directly across from the Hanna Theatre). You must park on levels 5 and above.

US Bank Garage Parking Process

Each time you volunteer you will receive a parking voucher for the US Bank Garage. We recommend that you keep one extra voucher as well. (The vouchers do expire – so one extra should be all you need.)

- Pull a ticket on your way into the garage. On the way out put in that ticket and follow it with one of the vouchers from us. This will “pay” for the amount on your ticket.
- On exit, you can either simply leave if the gate is up, or use the voucher to get out.
- If you have trouble entering or exiting the garage please press the Help button.
 - **Do not pay to enter or exit as we are not able to issue refunds!**

Weekday Matinee Parking

If you are working a weekday matinee (M-F before 4 pm) you may park on levels 4 and above of the Playhouse Square Garage (1450 Chester Ave. at E. 15th St). Regular weekday matinee ushers will be issued a unique QR code for the Playhouse Square Garage.

Accessible Parking

Policies

Equal Opportunity

It is the policy of Playhouse Square to provide equal opportunities regardless of race, color, age, religion, sex, national origin, disability, sexual orientation, genetic information, gender identity, marital status, uniform service, veteran status, citizenship status, or any other condition or status protected by law. If you observe or experience any conduct that is in violation of this policy, please contact the Director of Volunteer and Guest Services.

Non-Harassment

Playhouse Square is committed to maintaining an environment in which all individuals are treated with respect. Accordingly, Playhouse Square does not tolerate any form of discrimination, harassment, retaliation, joking remarks or other abusive conduct by or against Playhouse Square volunteers or volunteer applicants because of their race, color, sex, religion, national origin, age, disability, sexual orientation, gender identification, genetic information, marital status, citizenship status, uniform service, or veteran status, or because an individual complained of harassment or discrimination.

Harassment can include verbal or physical conduct that demeans, denigrates, or shows hostility or aversion toward an individual because of their race, color, sex, religion, national origin, age, disability, sexual orientation, gender identification, genetic information, marital status, citizenship status, uniform service, or veteran status, and that creates an intimidating, hostile, or offensive environment, unreasonably interferes with a volunteer's work, or otherwise adversely affects a volunteer.

Sexual harassment is verbal or physical conduct of a sexual nature that is not welcome, that is personally offensive, that debilitates morale, and that interferes with equal opportunities for volunteers. Such conduct is specifically prohibited. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of volunteering;
- Submission to or rejection of such conduct is used as a basis for decisions affecting a volunteer; or
- Such conduct has the purpose or effect of unreasonably interfering with a volunteer's work or creating an intimidating, hostile, or offensive environment.

The following is a non-exhaustive list of examples of prohibited conduct under Playhouse Square's non-harassment policy:

- Engaging in offensive, sexual or overly familiar touching or any other physical interference with normal work or movement;
- Requests for sexual favors;
- Continued or repeated verbal abuse of a sexual nature about an individual or their appearance;
- Threatening or suggesting that volunteer status depends on whether the volunteer will submit to, or tolerate harassment or sexual contact;
- Viewing, displaying or circulating discriminatory or sexually explicit or suggestive materials, including cartoons, calendars, drawings, and emails;
- Jokes, pranks or other humor that is demeaning or hostile with regard to race, color, sex, religion, national origin, age, disability, sexual orientation, gender identification, marital status, citizenship status, uniform service, or veteran status;
- Epithets, slurs, quips or negative stereotyping that relate to race, color, sex, religion, national origin, age, disability, sexual orientation, gender identification, genetic information, marital status, citizenship status, uniform service, or veteran status;

- Threatening, intimidating or hostile acts that relate to race, color, sex, religion, national origin, age, disability, sexual orientation, gender identification, genetic information, marital status, citizenship status, uniform service, or veteran status;
- Written or graphic material (including graffiti) that denigrates or shows hostility or aversion toward an individual or group because of race, color, sex, religion, national origin, age, disability, sexual orientation, gender identification, genetic information, marital status, citizenship status, uniform service, or veteran status and that is placed on walls, bulletin boards, computers or elsewhere on Playhouse Square's premises, or circulated or displayed in Playhouse Square; or
- Actions that create an intimidating, hostile, or offensive work environment.

Retaliation, which can include harassing behavior, is an adverse action one takes against another person because that person complained of discrimination or harassment. If you feel you are the subject of this type of harassment or retaliation you must take immediate action. Any volunteer who believes that they have been subjected to harassment or retaliation in violation of this policy must take the following actions to ensure that Playhouse Square is aware of the situation:

1. If comfortable doing so, firmly confront the harasser and ask them to stop. If possible, have a witness present.
2. If the harassment or retaliation continues, or if you are uncomfortable with the above, immediately report it to the Volunteer Manager. If, for any reason, you feel uncomfortable reporting to the Volunteer Manager, you may report the facts to the Director of Guest Experience.

All complaints will be investigated promptly. In investigating complaints, Playhouse Square will attempt to maintain confidentiality to the greatest degree possible without impeding the investigation process. Playhouse Square encourages volunteers to report any incidents of harassment or retaliation and it assures you that no individual will suffer retaliation or reprisal as a result of making such a complaint. Prompt, effective remedial action will be taken where appropriate, based on the results of the investigation. Further, any volunteer who engages in conduct that violates this policy, or whose conduct would violate this policy if allowed to continue, is subject to disciplinary action, up to and including termination of the volunteer relationship.

Volunteering At-Will

Volunteering with Playhouse Square is at-will and is for no fixed or definite term. Either Playhouse Square or the volunteer may terminate the volunteer relationship at any time, for any lawful reason, with or without cause. Volunteers who leave Playhouse Square, regardless of the reason, must return their blazer or vest, nametag, flashlight, and photo ID.

Disciplinary Process

Correctable infractions (e.g. chronic lateness, rudeness to guests or coworkers, inappropriate language) will be handled through a multi-step process. Depending on the situation and the severity of the infraction, any step in the process may be repeated, omitted, or taken out of sequence.

1. **Verbal warning** – the Director of Volunteers or other department leader will correct the volunteer and a note will be added to their file documenting and describing the reason for the verbal warning.
2. **Written warning** – the Director of Volunteers or other department leader will issue a written warning to the volunteer documenting and describing the reason for the warning. A copy of the warning will be added to their file.
3. **Dismissal** – If a volunteer commits an infraction after accumulating verbal and written warnings (or if the volunteer commits a serious infraction), Playhouse Square may terminate the volunteer relationship. If the infraction happens a third time, the RedCoat will be dismissed.

Medical Emergencies and Accidents

Although it may be a rare occurrence when you are volunteering, medical emergencies do arise in the theaters frequently.

It is the responsibility of the House Managers to coordinate emergency response and directly assist the individual(s) in distress. The House Managers and Security Staff are trained to take action in medical emergencies.

In the case of a medical emergency the first RedCoat to reach the person in need should stay with the person and send someone to find a House Manager. House Managers have been trained in CPR, First Aid, and AED.

An AED is located in every theater by the house manager's office and additional AEDs are available on the second level of the larger theaters.

If the house managers ask you to assist with the medical emergency, please follow their directions.

If you are not involved with the medical emergency, please return to the theater to continue your volunteer responsibilities.

We appreciate everyone's support and concern for the health and safety of all at Playhouse Square.

Incident Reports are filled out by House Managers whenever an injury occurs. If you are injured while volunteering you should immediately alert the House Manager.

If you are injured while volunteering at Playhouse Square:

- Alert a House Manager of your injury so they can fill out an Incident Report
- Please be checked by a medical professional. It is always better to have an injury checked and have nothing wrong than to wait days or weeks and have it get worse.
- You do not need to take any paperwork from Playhouse Square into the doctor or ER.
 - You are not an employee and are therefore not covered by Worker's Comp. Please do not tell medical professionals that you were injured on the job as you are a volunteer and not an employee.
- Playhouse Square has liability insurance that covers our volunteers.
 - Allow medical billing to proceed as it would in any other situation.
 - After the regular billing process, if you have remaining costs that were not covered by your insurance, please submit a copy of them to Playhouse Square.

Miscellaneous Information

Guest Tickets and Information

Tickets for Playhouse Square are sold in the Box Office located in the State Theatre Lobby, by phone or online, and can be picked up in the Box Office one hour before curtain.

Tickets are scanned (or stubbed if designated by House Manager) prior to guests entering each theater. A Ticket Office staff member will train ticket scanners prior to each performance. Direct any scanning questions to the Ticket Office staff member or the Head Usher.

There are three types of tickets used at Playhouse Square:

- Playhouse Square printed ticket
- Playhouse Square Seating Pass Voucher
- Mobile tickets

Each type of ticket usually has the following information on it:

- Name of theater
- Name, Day, Date, and Time of Performance
- Name of Guest
- Door or Aisle Number as a directing guide
- Seating Location, Row Letter(s) and Seat Number
- Stub Code and Price of Ticket

Mobile Ticketing

- The QR (square code) on Mobile Tickets can be scanned like regular tickets, with the QR code facing up.

Playhouse Square Printed Ticket

The barcode on the small section (Audit Stub) is scanned. When designated by the House Manager we may “stub” the tickets instead of scanning them. In that case you tear the ticket at the perforation and give the guest the large portion (Guest Stub) and keep the small portion (Audit Stub) to be scanned later.

Playhouse Square Seat Pass

Seat Passes are issued because the original buyer has reported his/her tickets lost. 98% of the time, we are to honor the seat pass over the computer ticket. In the event both sets of tickets show up for the performance, bring the party with the computer tickets to the House Manager's Office. Seat Passes are not scanned. Ticket scanners should give the top White copy to the guest and keep the Yellow and Pink copies for ticket counting. These should be given to the House Manager.

Evacuation and Guest Evacuation Training (GET)

Playhouse Square requires that all RedCoats complete Guest Evacuation Training every other year. This training prepares you to know where emergency exits are located and trains you to assist in the evacuation process.

GET renewal must be completed by the end of the month in which the renewal is due. For example, if you completed GET on August 21, 2021, the renewal must be completed by August 31, 2023.

Failure to renew GET by the due date will result in a change of status to inactive until renewal is complete. Exceptions will only be made for those volunteers on a leave of absence when renewal is due.

Evacuation procedures are available in each House Manager's Office with information specific to that theater.

Playhouse Square offers a variety of accommodations for guests with needs related to various disabilities.

- Accessible Restrooms
- Accessible Seating

Theater and Volunteer Position Information

A Day in the Life of a RedCoat or Star

Volunteers are usually scheduled 90 min before a performance. Because lobby doors generally open 60 minutes before performances this leaves a half hour for setting up, signing in, stuffing programs, and having the House Manager's Meeting. Volunteers stay until the performance ends and a lost and found sweep is completed (shortly after the performance is completed).

Below, we've outlined what a typical day is like:

- Sign-in - put down the current time and find out your assignment from the sign-in sheet.
 - If you sign in at or before your call time, an additional 30 minutes before the call time is added to your record.
 - If you need to leave early, please tell the Head Usher at sign-in
- Help stuff programs or do other tasks as needed
- House Manager's Meeting –about 15 minutes prior to lobby opening
 - Learn show-specific information (e.g. photo policy, seating holds, synopsis)
 - Food and Beverage Restrictions – since these vary by show, the HM will let you know in the meeting if there are restrictions on what is allowed inside the House.
 - Camera and Video Restrictions – most shows have restrictions on photos and video. The HM will let you know what the restrictions are at the meeting.
 - Assignment changes from Head Ushers
 - Volunteer seats for performance are specified if available
 - Milestone pins given to RedCoats (generally only during Broadway performances)
- Go to assigned position & meet with Head Usher
 - If you are new or have not worked in your position recently, please pick up a Position Card from the House Manager's Office which will sum up key details about the position. The information is also included in the next section of this handbook.
- The Lobby opens 60 minutes prior to the performance, and the House usually 30 minutes before.
 - This allows for 30-40 minutes of seating guests before the start of the show.
- When the lights go down for the show to begin
 - Quietly close the doors to the auditorium
 - Close drapes (if any) to Box Seats
 - Move outside the auditorium doors or into the entrance passageways to greet late arrivers. There may be a "hold" so you will need to keep the guests there until the specified time for late seating.

- Seats for performances
 - While Playhouse Square is not able to hold specific seats for RedCoats, our House Managers do their best to find areas for you to sit during the shows. This depends primarily on where people have bought tickets and who can be easily upgraded to provide an area for RedCoats. Your House Manager will let you know at the meeting, or after seating is completed, if areas are available.
 - When the House Manager releases you, you may sit in the designated areas or you may go to the Volunteer Room to relax.
 - PLEASE be quiet and considerate of those around you. Do not speak, use flashlights, phones or lighted watches. Proceed all the way into the aisle to limit movement and do not leave until intermission.
 - Occasionally we receive complaints from guests about noisy RedCoats sitting near them, or standing in the back of the house. In order to continue allowing RedCoats to have seats it is important to make the process as guest-friendly as possible.
 - The use of cellphones (even for checking time) is strictly prohibited inside the house once the show has begun.
- Intermission
 - Please return to your assigned position for intermission and avoid standing in areas where you block the flow of traffic.
- Start of Second Act
 - Follow the same guidelines as at the beginning of the performance.
 - If you need to leave early, this is the best time to do so. Please inform your Head Usher or the House Manager that you are leaving and do not forget to sign-out.
- Post-Show
 - During applause, return to your assigned position.
 - Do not prop open doors until the house lights turn on
 - Thank guests as they leave
 - Conduct a House sweep to locate lost items and collect booster seats.
 - Take lost items to the House Manager's Office noting the description and location where it was found on the Lost and Found Sheet (e.g. Child's black mitten, Mezz Row G 506).
- Sign Out
 - Please sign out with the current time. If you fail to sign out, you will only receive two hours credit for that performance.

- Check the emergency exit(s) and evacuation routes in your area.

Seating:

- Ask the not-seated guests to remain at the top of the aisle until the issue can be resolved.

Guests complain about their seat (can't see, can't fit in the seat, can't climb stairs, etc.):

WIST and Gund at Idea Center

Idea Center General Information

Westfield Insurance Studio Theatre (WIST) and Gund Dance Studio

Idea Center is the home of Ideastream, the partnership of WVIZ 25 and WCPN 90.3 FM. The Playhouse Square Community Engagement and Education Department programs the spaces at Idea Center, including the Westfield Insurance Studio Theatre and the Gund Dance Studio.

For events in the Miller Classrooms or PB&J, the house manager typically stands at the desk in the hallway past the Gund Dance Studio.

Westfield Insurance Studio Theatre (WIST) is a short walk from the Euclid Avenue entrance. Once you enter Idea Center, pass to the left of the first elevator and walk straight back. The Gund Dance Studio can be seen from the sidewalk on Euclid Avenue.

Volunteer assignments usually involve: Handing out programs, assisting with seating, and directing guests. Seating is generally on a first-come, first-served basis.

Corner Gallery

1305 Euclid Avenue

The Corner Gallery is located on the corner of E. 13th and Euclid Avenue in the former Cowell & Hubbard restaurant.

Volunteer assignments for this space will be based on the needs of the exhibit.

Parts of a Theater

Balcony

The top seating area of the upstairs, above the mezzanine. The Connor Palace Theatre also has an Upper Balcony that is sometimes referred to as the Sky Boxes.

Banquette

The banquettes are the general admission, bench sections of seating on either side of the main floor in the Hanna Theatre.

Curtain

The curtain not only refers to the physical curtain, but also to the start time of the show.

Dark

When a theater or stage is “dark” there is no show or rehearsal going on that day.

General Admission

General Admission (or GA) seating is when seats are not assigned and guests can choose their seat on a first come, first served basis. Occasionally, events that are GA may still have sections set aside and reserved for certain groups.

House

The area inside the theater where guests sit.

Left and Right

Left and Right in a theater depend on where you are. Stage Left refers to the left side of the room if you are onstage facing the audience. House Left refers to the left side of the room if you are in the house (audience) looking at the stage. Therefore, Stage Left and House Right are the same side.

Limited View

At times we will sell seats that are “Limited View” this means that the guest may not have a full view of the stage due to obstructions from the building or added lighting and sound equipment.

Lobby

The Lobby is the public part of the theater that is outside of the House. Some theaters have multiple lobbies (e.g. the KeyBank State Theatre has the interior lobby and the exterior ticket office lobby).

Loges

The lowest seating area of the upstairs. These seats are generally not available for purchase and are handled through the Development department. Extra care in seating people is appreciated in this area to ensure people are in the correct place.

Mezzanine

The middle seating area of the upstairs, between the Loges and the Balcony.

Parterre

The parterre is the raised section of seating in back of the main floor in the Allen Theatre.

Sky Boxes

The Sky Boxes are an alternative term for the Upper Balcony in the Connor Palace Theatre.

Stage Types

- **Proscenium** – the style of most traditional theaters. The audience faces the stage and the stage is framed with a proscenium (archway) around the edge.
- **Thrust** – the stage protrudes into the audience so the audience can be on three sides of the stage.
- You will sometimes see additional types in the Outcalt and Helen where the seating options are more flexible.

Standing Room

At times we will sell “Standing Room” tickets. These tickets are for designated areas with no seats. Generally the individuals will be assigned to a specific spot to stand and watch the performance.

Theater and Theatre

Here at Playhouse Square, we use Theater to refer to the theaters generally, and Theatre if you are referring to a specific location (Mimi Ohio Theatre).

Upstage and Downstage

Upstage is the back of the stage, furthest from the audience, and downstage is the front of the stage, closest to the audience. This terminology comes from days when the stage was at an angle to give perspective and the back edge was higher (up) than the front.

Vomitorium

A vomitorium is a passageway leading to seating areas in the theater.

Wings

The side area of the stage that cannot be seen by the audience is referred to as the wings. Actors often wait there before they come onstage.
